This year we are wanting to streamline our lines of communication. Skool Loops App is a free and friendly way for staff to communicate with parents with notices, newsletters, school calendars, permission slips, absenteeism's and interviews days.

This year we will be celebrating successes with the school wide whanau more often. Meet and greet staff and whanau days will be advertised on our Skool Loops app and news letters. We are hoping to have at least 2 per term.

The new build is moving along and if all the stars in the sky stay aligned we should be opening mid to late September. In the mean time we will be calling on ex staff and students to attend the opening.

Looking at it being a school reunion. The kura is 161 years old and I believe this is a fantastic opportunity to show how fantastic the Foxton community and people are,. This would let people outside of Foxton know how important education has been in Foxton.

Our kura goals and aspirations remain the same.

A.R.O.H.A.
